Kollam

Professional Summary

Motivated B.Tech Computer Science graduate with solid programming knowledge and hands-on experience in backend development using Spring Boot and Hibernate. Proficient in Java, Python, and C, with a passion for solving real-world problems. Fast learner, team player, and adaptable to various technologies. Eager to contribute to impactful software development projects.

Skills

Programming Languages : Java, Python, C, SQL

Frameworks & Tools : Spring Boot, MySQL, Git

Other: Fast typing(70WPM),GitHub

Education

UKF College of Engineering and Technology,Parippally	Kollam
B.Tech- Computer Science	2021 - 2025
CGPA: 8.01	
GHSS,Thevannoor	Kollam
Higher Secondary(12th)-Science	2019 - 2021
GHSS Thevannoor	Kollam
High School(10th)	2019

Certification

Java Software Developer ICT Academy & Infosys Foundation (120 hours).

AWS Computron Training Solutions.

Projects

Deep learning and Image processing for Early Blood Cancer Detection.	2024 - 2025
It aims to use deep learning techniques to detect early signs of blood cancer from medical images. This would also be quite helpful in the early stages of discovering cancer, monitoring the progression of diseases.	
JobXplore	2024
https://github.com/Haarizz/JOBPORTAL	
It is a platform that helps people find jobs by matching their skills with available positions and making it easy to apply and track applications.	
CareCloud	2024
https://github.com/akhiljrofficial/ICT/tree/main/CareCloud	
It is a platform that helps healthcare providers manage patient records, appointments, and billing in one easy-to-use system	

Experience

Java Full Stack Developer : An incubation student at Qspyder, kochi.

Training/Workshop

Java Software Developer	Completed 120-hour Java Software Developer Training organized by ICT Academy in association with Infosys Foundation, gaining hands-on experience in backend development, including servlets, Spring Boot, Hibernate, and MySQL
AWS	AWS Cloud training organized by Computron Training Solutions, gaining hands-on experience in cloud computing and AWS services.
Python	Attended a Python workshop organized by NIT Calicut, enhancing my skills in Python programming and its applications.
